My dear Mr. Desti:

Greetings!

You may have learned that the announcing of the creation of the Committee for Free Albania caused a rather vehement reaction among Communists in Albania. Hoxha seems to be raging in the Tirana press and over the radio.

In view of that he might take reprisals against relatives in Albania of any persons he thought were in any way connected with the Committee.

Consequently, you may consider it prudent to refrain from discussing the Committee with your friends. For the sake of your relatives, silence may be advisable.

Sincerely,

RHM:mt
